Dear Sir:

Applicant acknowledges receipt of the Notice of Drawing Inconsistency With Specification issued January 10, 2005.

A phone conversation on January 25, 2005 with Examiner Jong Suk Lee provided an explanation that the drawings mentioned in the January 10 Notice did not belong to the above referenced application and had apparently been scanned into the IFW in error.

In a second phone conversation on February 10, 2005 with Examiner Lee, he confirmed that the drawings which were the subject of the January 10 Notice had been removed from the IFW of the above referenced application. Examiner Lee advised that a phone call to the Publishing Division would be appropriate and to advise them that the subject drawings had been removed and the Notice could be removed.

The Publishing Division advised that a letter of explanation should be prepared and faxed, along with a copy of the Notice, to the Publishing Division.

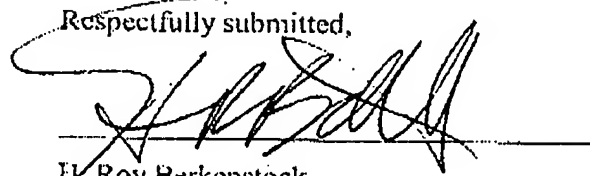

We therefore submit herewith a Letter of Explanation as requested.
